for good and valuable consideration, do hereby elect to change the status of our ownership of the above noted brand from co-ownership to **joint ownership**.

We hereby acknowledge and agree that, as a result of this election:

1. The persons registered as owners of the above brand continue to own an undivided interest in the brand.
2. The persons registered as owners of the above brand have the "right of survivorship" and that upon the death of one joint owner, his or her interest in the brand will pass to the other joint owner(s), and this process will continue until there is only one survivor, who then will hold the brand as the sole owner.
3. The persons registered as owners of the above brand are all required to comply with the provisions of the *Livestock Identification and Commerce Act* and the *Livestock Identification and Commerce General Regulation* when transporting or selling the livestock bearing the above brand.

4. The joint ownership of the brand is for the sole purpose of simplifying the transfer of the brand on death of one of the joint brand owner(s).
5. On the death of one of the joint owners, the surviving joint owner(s) may file a Statutory Declaration of Surviving Joint Owner(s) and satisfactory proof of death with the Brand Registrar. On approval of the documents submitted by the surviving joint owner(s), the Brand Registrar will register the brand in the name(s) of the surviving joint owner(s).

We further acknowledge that under the *Livestock identification and Commerce Act*:

1. The persons registered as the owners of the above brand have the exclusive right to use the brand for the purpose of denoting ownership of livestock until the registration of the brand is cancelled or the brand transferred. During that period the mark of the brand on livestock is proof, in the absence of evidence to the contrary, of the brand owners' ownership of the livestock bearing the brand.
2. Any livestock bearing the above brand must be sold in the names of, or on behalf of, all of the owners of the brand. If not so sold the livestock or the sale proceeds may be held pending the Livestock Inspector being satisfied that the person in possession of the livestock is the owner of the livestock, the owner's agent or otherwise lawfully entitled to be in possession of the livestock or entitled to the sale proceeds.
3. The owners of the livestock are required to complete the livestock security interest declaration when livestock is transported for sale or sold.
4. The sale proceeds must be payable to all of the owners of the brand and the holder of any livestock security interest in the livestock or the dam of the livestock being sold.
5. If the livestock is being transported for sale and the livestock manifest does not direct payment to all of the owners of the brand, the Livestock Inspector will hold the livestock or the sale proceeds until all of the owners of the brand sign the livestock manifest.
