1. Supply or sale of assured livestock TO YOU

When assured livestock is supplied or sold **to you** and the assured livestock:

- (a) is **inspected** by LIS, you are required to deduct the LAF levy and the inspection fee from the sale proceeds payable to the producer or livestock dealer supplying or selling the assured livestock to you. LIS will invoice you for both the LAF levy and the inspection fee.

Note: The LAF levy charged to you appears on the LIS Invoice (Livestock Inspection Control Card Listing) as "Lvsk Assur". Payment of the LIS invoice is due within 7 days of receipt of the invoice.

- (b) is **not inspected** by LIS, then if the assured livestock was supplied or sold to you:
- (i) **by a producer**, you must deduct the LAF levy from the sale proceeds payable to the seller and remit the LAF levy to LIS by completing Part A of the *Assurance Funds Levy Remittance Form*; and
 - (ii) **by another livestock dealer**, that other livestock dealer is responsible for remitting his own LAF levy to LIS by completing Part B of the *Assurance Funds Levy Remittance Form*. When assured livestock are not inspected, you are not required to deduct the LAF levy from the sale proceeds payable to another livestock dealer.

The LAF levy described above protects the producer or livestock dealer supplying or selling the assured livestock to you from non-payment by you or any other livestock dealer in the future.

2. Supply or sale of assured livestock BY YOU to another livestock dealer

When you supply or sell assured livestock to another livestock dealer and the assured livestock:

- (a) is **not inspected** by LIS, you are required to remit your own LAF levy to LIS by completing Part B of the *Assurance Funds Levy Remittance Form*.
- (b) is **inspected** by LIS, the other livestock dealer will deduct the LAF levy and the inspection fee from your sale proceeds and LIS will invoice the other livestock dealer for both the LAF levy and inspection fee payable by you.

The LAF levy described above protects you from non-payment by that other livestock dealer or by any other livestock dealer in the future.

3. Supply or sale of assured livestock BY YOU to an unlicensed person

When you supply or sell assured livestock to an **unlicensed person**, you are required to remit your own LDAF levy to LIS by completing Part C of the *Assurance Funds Levy Remittance Form*. This applies whether or not the assured livestock is inspected by LIS.

The LDAF levy protects you from non-payment by this unlicensed person or by any other unlicensed person in the future.
